

CORRIGENDUM

In the June 1962 *Journal of Applied Meteorology* (Vol. 1, No. 2) on page 260 of "Diffusion in Shear Flow" by Morton L. Barad and James J. Fuquay, Eq (2) should read

$$D(z|y) \propto \frac{\exp\left\{-\left[z' - \frac{\rho\sigma_z}{\sigma_y} y'\right]^2\right\}}{\sqrt{2\pi} \sigma_z \sqrt{1-\rho^2}}. \quad (2)$$
