

CORRIGENDUM

WESLEY BERG AND TRISTAN L'ECUYER

Department of Atmospheric Science, Colorado State University, Fort Collins, Colorado

JOHN M. HAYNES

School of Mathematical Sciences, Monash University, Clayton, Victoria, Australia

Because of a production error in Berg et al. (2010), the Australian state associated with author Haynes's affiliation was incorrectly given as Queensland. The correct state is Victoria, as listed in the affiliation given above.

The staff of the *Journal of Applied Meteorology and Climatology* regrets any inconvenience this error may have caused.
