

**CORRIGENDUM**

RODOLFO BOLAÑOS AND LAURENT O. AMOUDRY

*National Oceanography Centre, Liverpool, United Kingdom*

KEN DOYLE

*CFD Solutions Ltd, Exeter, United Kingdom*

---

There was a typographic error in Bolaños et al. (2011). The word “Tides” was inadvertently added to the beginning of the title in the table of contents and title page of the article. The correct title should be “Effects of Instrumented Bottom Tripods on Process Measurements.”

The staff of the *Journal of Atmospheric and Oceanic Technology* regrets any inconvenience this error may have caused.

## REFERENCE

Bolaños, R., L. O. Amoudry, and K. Doyle, 2011: Effects of instrumented bottom tripods on process measurements. *J. Atmos. Oceanic Technol.*, **28**, 827–837.
