

CORRIGENDUM

IVANA STIPERSKI

Meteorological and Hydrological Service, Zagreb, Croatia

VANDA GRUBIŠIĆ

University of Vienna, Vienna, Austria

Due to a production error, the title page of Stiperski and Grubišić (2011) did not include a logo to identify it as part of the Terrain-Induced Rotor Experiment (T-REX) special collection. The logo appearing beside the title of this corrigendum should have appeared on the title page of the original paper.

The staff of the *Journal of the Atmospheric Sciences* regrets any inconvenience this error may have caused.
