GREGORY J. HAKIM

University of Washington, Seattle, Washington

(Manuscript received 30 April 2019, in final form 28 June 2019)

In section 2a of [Navarro and Hakim \(2016\)](#), the horizontal domain size is incorrectly described as 1500 km. The correct definition of the domain size in the horizontal direction is 1024 km. This error did not affect the interpretation of the results described in the original article.
