Certified Consulting Meteorologist: The certification pro-
gram of the American Meteorological Society is aimed to
foster the establishment and maintenance of a high level of
professional competency, and mature and ethical counsel,
in the field of consulting meteorology. Requirements of
knowledge, experience and character are determined by a
five-man Board. Objectives of the program in full detail
and applications may be obtained from the headquarters of
the Society, 45 Beacon Street, Boston, Mass. 02108.
