*For Members Only....
wear it with pride!*

Due to the many requests over the years from members and AMS Chapters, the AMS is offering a very attractive lapel pin/tie tack combination to its members. The Seal of the American Meteorological Society is masterfully reproduced and die-struck on the finest jeweler's metal with a polished Hamilton Gold-clad finish. The size is $\frac{3}{4}$ " in diameter.

Because of the limited supply, we suggest that you order your AMS lapel pin/tie tack combination now.
