

THIRD CONFERENCE ON HYDROMETEOROLOGY
AUGUST 20-24, 1979
BOGOTA, COLOMBIA

PREPRINTS

The volume of papers presented at the Third Conference on Hydrometeorology includes the following topics:

- *General*
- *Estimation of Meteorological Variables*
- *Data Acquisition*
- *Design Criteria*
- *Hydrologic Simulation or Modeling*

141 pages \$15 AMS Members
 \$20 Nonmembers
 (add \$2.00 postage/handling)

Send order and remittance to:

**AMERICAN METEOROLOGICAL
 SOCIETY**

employment announcements

The American Meteorological Society issues employment announcements monthly, setting forth opportunities for positions in the atmospheric and oceanographic fields. The employers describe the prerequisites and requirements for the openings.

Members and nonmembers may subscribe to the announcements. The subscription price for a calendar year (12 monthly issues) is \$6 for AMS Members and Associate Members, \$3 for AMS Student Members, and \$25 for nonmembers (add \$10 for mailing to a foreign address; monthly issues will be sent via air mail). After July 1, half-year subscriptions (for July through December issues) are available at one half of the above annual prices.

The purpose of the Employment Announcements is to provide a means by which those seeking positions in the atmospheric and related fields and those requiring personnel to fill such openings may have a convenient means of communication. Organizations that wish to avail themselves of this service should contact Jean Cooper, American Meteorological Society, 45 Beacon Street, Boston, Mass. 02108 (617-227-2425), for details and charges.
