

meeting of interest

19-21 July 1983: The International Workshop on Atmospheric Spectroscopy will now be held on 19-21 July 1983 at the Rutherford Appleton Laboratory, Oxfordshire, United Kingdom. The three main topics to be covered are stratospheric spectroscopy, tropospheric spectroscopy, and planetary spectroscopy. Papers on related laboratory spectroscopy are also encouraged. Invited speakers will include: B. Carli (Italy), A. Chedin (France), H. Grassl (West Germany), G. Hunt (U.K.), K. Kunzi (Switzerland), D. Murcrazy (U.S.A.). Papers/posters presented at the Workshop will be published in the Journal of Quantitative and Spectroscopic Transfer. Poster presentations are considered in many ways to be a more effective means of communication than a short verbal presentation and are strongly encouraged. For more information on the Workshop please contact: R.W. Saunders (IWAS), Rutherford Appleton Laboratory, Chilton, DIDCOT, Oxon, OX11 0QX, United Kingdom tel: 0235 21900 x6549, telex: 83159. The workshop is sponsored by the Science and Engineering Research Council, the Institute of Physics, and the Commission on Planetary Atmospheres and Their Evolution.

Deadlines Calendar

Fellowships, grants, etc.

- 15 June 1983 Macelwane Annual Award (this issue, p. 1411)
15 June 1983 Hanks and Orville Scholarships (this issue, p. 1411)
1 January 1983 Amelia Earhart Fellowship Awards (October 1982 BULLETIN, p. 1161)
15 January 1983 NRC Senior and Postdoctoral Research Associateships (October 1982 BULLETIN, p. 1197)

Call for papers

- 1 March 1983 International Cloud Modeling Workshop (November 1982 BULLETIN, p. 1308)

Call for nominations

- 31 December 1982 Alan T. Waterman Award (July 1981 BULLETIN, p. 1068 and October 1982 BULLETIN, p. 1131)

at AMS headquarters

On 1 October, the Council was still meeting at headquarters (see Bulletin, 64, 1338).

Executive Director Kenneth C. Spengler was in Washington, D.C. on 6 October for discussions with AMS President Richard E. Hallgren and AMS Newsletter Editor Fred D. White.

On 12 October, Spengler and Assistant to the Executive Director Evelyn Mazur went to Boulder, Colo., for a joint AMS/University Corporation of Atmospheric Sciences (UCAR) meeting of University Department Heads.

While in the area, they made plans for facilities for the Short Course on Instruments and Techniques for Probing the Atmospheric Boundary Layer, to be held in Boulder 8-12 August 1983, and for the 16th Conference on Agriculture and Forest Meteorology, the Sixth Conference on Biometeorology and Aerobiology, and the Seventh Conference on Fire and Forest Meteorology, to be held in Ft. Collins 25-29 April 1983.

On 27 October, the Admissions Committee met at headquarters. Chairman John Spengler, Don Chisholm, Val Descamps, John E. Wallace, and Charles Pierce (Past Chairman) were present.

Professor Michael Longuet-Higgins of the University of Cambridge visited headquarters on 29 October. Longuet-Higgins is the Sverdrup Medal recipient for 1983.

Visitors to Headquarters during October included: Henry Shepherd; Mr. and Mrs. E. Brewster Buxton, Madison, Wis.; Mr. and Mrs. J.E. Healy, Baldwin, Md.; Sue Crouch, Preston, England; Susan Makai, Rochester, N.Y.; Robert W. Caldwell, Glenwood, N.Y.; Mr. and Mrs. J. Donaldson, Las Vegas, Nev.; and Eric Hennen, La Crosse, Wis.
