## corrigenda

In "The Antarctic First Regional Observing Study of the Troposphere (FROST) Project" by J. Turner et al., in the September 1996 issue of the *Bulletin*, attribution of Figure 2 on page 2012 was omitted. The caption should have stated that the image was used with the permission of Charles Stearns of the Department of Meteorology at the University of Wisconsin—Madison, Wisconsin. The *Bulletin* apologizes for the omission.
