Richard E. Hallgren, executive director
Kenneth C. Spengler, executive director emeritus

Nomination to the Grade of Fellow

Please complete both sides of this form. *Do not continue items on attachments,*
but use the space provided to best advantage.

Name of nominee

Sponsor

The sponsor (an AMS member or Fellow) may submit this form no later than 1 June to the Chairman of the Committee on Fellows care of the Secretary-Treasurer, American Meteorological Society, 45 Beacon Street, Boston, Massachusetts, 02108-3693. (Please see the nomination submissions notice in this issue of the *Bulletin of the American Meteorological Society*.) NOTE: To avoid disappointment in the event of failure of election, the nominee should not be informed that he or she is being nominated.

Constitution Article III, Paragraph 6: "Those eligible for election to Fellow shall have made outstanding contributions to the atmospheric or related oceanic or hydrologic sciences or their applications during a substantial period of years."

Nomination to Fellow is open to members. New Fellows are elected each year by the Council at its fall meeting from a slate submitted by the Fellows Committee of not more than two-tenths of 1 percent of all AMS members. Nominations considered by the Committee are those submitted in the current and the preceding two years.

Please give a concise supporting statement outlining the nominee's major accomplishments and contributions to the atmospheric or related sciences.
