## NEW FROM AMS BOOKS!

*"I am often asked what book I would recommend to aspiring young meteorologists or climatologists. I will be spreading the word about this one. Meticulously researched and beautifully written, Jack Williams' book is incredible."*

— Tom Skilling, WGN/Chicago Tribune Chief Meteorologist

### THE AMS WEATHER BOOK: The Ultimate Guide to America's Weather

BY JACK WILLIAMS WITH FOREWORDS BY RICK ANTHES, PRESIDENT OF NCAR, AND STEPHANIE ABRAMS OF THE WEATHER CHANNEL

Former *USA Today* Weather Page editor Jack Williams has written the most comprehensive, up-to-date guide to the weather and atmosphere, covering everything from daily weather patterns to air pollution and global warming. This book serves as a primer on the science behind the weather, and shows how integral oceanic and atmospheric science are to navigating our place in the physical world.

#### FEATURES INCLUDE:

- Full-color, detailed illustrations of atmospheric phenomena
- Bird's-eye photos of severe weather events and their impacts
- Profiles of forecasters, scientists, cutting-edge researchers, and more
