

CORRIGENDUM

Authors Herbert E. Huppert and Edward G. Josberger have noted errors in their article "The Melting of Ice in Cold Stratified Waters" (*J. Phys. Oceanogr.*, **10**, 953–960).

On p. 958, Fig. 5 should be rotated counterclockwise 90°, and Figs. 6a and 6b on p. 959 should each be rotated clockwise 90°. The corrected orientations are shown below.
