

CORRIGENDUM

The authors, W. D. Grant, A. J. Williams, 3rd and S. M. Glenn, have noted an error in Figures 7 and 9 of their article, "Bottom stress estimates and their prediction on the northern California continental shelf during CODE 1: The importance of wave-current interaction", which appeared in

Journal of Physical Oceanography, Volume 14, Number 3.

The ordinate scale in Figs. 7 (p. 516) and 9 (p. 518) should be shifted downward one decade so that 10^0 becomes 10^1 , 10^{-1} becomes 10^0 , 10^{-2} becomes 10^{-1} and 10^{-3} becomes 10^{-2} .
