The JOURNAL OF PHYSICAL OCEANOGRAPHY (JPO) publishes research related to the physics of the ocean and to processes operating at its boundaries. Observational, theoretical, and modeling studies are all welcome, especially those that focus on elucidating specific physical processes. Papers that investigate interactions with other components of the Earth system (e.g., ocean–atmosphere, physical–biological, and physical–chemical interactions) as well as studies of other fluid systems (e.g., lakes and laboratory tanks) are also invited, as long as their focus is on understanding the ocean or its role in the Earth system.

The Journal of Physical Oceanography (ISSN 0022-3670) is published monthly by the American Meteorological Society at 45 Beacon Street, Boston, MA 02108. Subscription rates for this and other AMS titles are available online at https://www.ametsoc.org/index.cfm?c=amspublications/subscription-information. For information on becoming an AMS member and/or subscribing to the Society’s journals, visit the AMS website: https://www.ametsoc.org. Subscription orders, claims for missing numbers, changes of address, and other business correspondence should be sent to amsinfo@ametsoc.org (or to the American Meteorological Society, 45 Beacon Street, Boston, MA 02108-3693). Periodical postage paid at Boston, MA, and at additional mailing offices. POSTMASTER: Send address changes to the Journal of Physical Oceanography, American Meteorological Society, 45 Beacon Street, Boston, MA 02108-3693.
