

CORRIGENDUM

Authors David J. Nicosia et al. report two changes to their paper, “A Flash Flood from Lake-Enhanced Rainband,” *Weather and Forecasting*, Vol. 14, No. 2, pp. 271–288.

First, on p. 273, left column, line 23, the following sentence should be included:

The SNAP Weather Information Integrated Forecast Tool (SWIFT) (Pearce and Hoffert 1997) was used to display most of the radar imagery for this paper.

Second, the following reference should be included:

Pearce, M. L., and S. G. Hoffert, 1997: The SNAP Weather Information Integrated Forecast Tool (SWIFT): Next-generation software for research and operational meteorology. Preprints, *13th Int. Conf. on Interactive Information and Processing Systems for Meteorology, Oceanography, and Hydrology*, Long Beach, CA, Amer. Meteor. Soc., 269–272.
