

## CORRIGENDUM

JOHN P. GALLAGHER AND IAN G. MCKENDRY

*Department of Geography, The University of British Columbia, Vancouver, British Columbia, Canada*

KEVIN STRAWBRIDGE

*Centre for Atmospheric Research Experiments, Environment Canada, Egbert, Ontario, Canada*

ANNE MARIE MACDONALD AND W. RICHARD LEAITCH

*Science and Technology Branch, Environment Canada, Toronto, Ontario, Canada*

PAUL W. COTTLE

*Department of Geography, The University of British Columbia, Vancouver, British Columbia, Canada*

---

Because of a production error, the authors of Gallagher et al. (2012) were listed in incorrect order. Third author P. W. Cottle should actually be the sixth author, and sixth author K. Strawbridge should be the third author. The correct order appears in the author and affiliation information above.

The staff of the *Journal of Applied Meteorology and Climatology* regrets any inconvenience this error may have caused.
