

CORRIGENDUM

Due to a typographic error, an equation was incorrectly presented in the article “Spatial Weighting and Iterative Projection Methods for EOFs,” by M. P. Baldwin, D. B. Stephenson, and I. T. Joliffe, which was published in the *Journal of Climate*, Vol. 22, No. 2, 234–243. The equation appears in the first paragraph of section 3c, p. 238. The correct sentence that contains the equation should read: “By transforming to $\mathbf{e}_i' = \mathbf{W}^{1/2}\mathbf{e}_i$, it can be seen that the EOF solutions are the eigenvectors of the generalized eigenvector equation $\mathbf{S}\mathbf{W}\mathbf{e}_i = \lambda_i\mathbf{e}_i$.”

This correction has already been implemented online. The staff of the *Journal of Climate* regrets any inconvenience this error may have caused.
