CORRIGENDUM

A coauthor was left off the title page of the published version of *Earth Interactions*, Vol. 9, Paper 7, that was posted on 29 June 2005. Below is how the title page with the authors and their affiliations should have looked.

Ecosystem Structure throughout the Brazilian Amazon from Landsat Observations and Automated Spectral Unmixing

Gregory P. Asner, David E. Knapp, and Amanda N. Cooper

Department of Global Ecology, Carnegie Institution, Stanford, California

Mercedes M. C. Bustamante

Department of Ecology, University of Brasilia, District Federal, Brazil

Lydia P. Olander and Kathleen B. Heidebrecht

Department of Global Ecology, Carnegie Institution, Stanford, California
