

CORRIGENDUM

Authors Anthony G. Barnston and Robert E. Livezey have noted an error in appendix B of their article, "Classification, Seasonality and Persistence of Low-Frequency Atmospheric Circulation Patterns" that appeared in the June issue of *Monthly Weather Review*, Vol. 115, No. 6, pp. 1083–1126.

On page 1119 in the right-hand column under Esbensen (1984) (E), the Eurasian list, should read:

Eurasian (EU)²

i.e., the asterisk should be deleted.
