

CORRIGENDUM

Authors R. M. Rabin, D. E. Engles, and A. J. Koscielny have noted an error in their article "Applications of a Doppler Radar to Diagnose a Frontal Zone Prior to Thunderstorms" that appeared in the November 1987 issue of *Monthly Weather Review*, Vol. **115**, No. 11, pp. 2674–2686.

On page 2686, the first paper listed in the References should read as follows:

Baynton, H. W., R. J. Serafin, C. L. Frush, G. R. Gray, P. V. Hobbs, R. A. Houze, Jr., and J. D. Locatelli, 1977: Real-time wind measurement in extratropical cyclones by means of Doppler radar. *J. Appl. Meteor.*, **16**, 1022–1028.
