

CORRIGENDUM

There was typographical error in the Table of Contents of *Monthly Weather Review*, Vol. 132, No. 5, and on the title page of “The San Angelo, Texas, Supercell of 31 May 1995: Visual Observations and Tornadogenesis,” by Wakimoto et al., which was published on pages 1269–1293 of that issue.

In both the Table of Contents and on the title page of the article, the first coauthor’s name is misspelled. The correct spelling is Hanne V. Murphey.

The staff of *Monthly Weather Review* regrets the error.
