

CORRIGENDUM

EMMANUEL ROULIN AND STÉPHANE VANNITSEM

Institut Royal Météorologique de Belgique, Brussels, Belgium

An editing error occurred in the caption of Fig. 4 of Roulin and Vannitsem (2012). The description of the curves were given in the reverse order. The figure and caption have been corrected in the version displayed below.

The staff of *Monthly Weather Review* regrets any inconvenience this error has caused.
