

CORRIGENDUM

Due to a typographical error, the affiliations of two coauthors were incorrect in “Linking the Eta Model with the Community Multiscale Air Quality (CMAQ) Modeling System to Build a National Air Quality Forecasting System,” by Tanya L. Otte et al., which was published in *Weather and Forecasting*, Vol. 20, No. 3, 367–384. The correct affiliations for Geoff DiMego and Nelson L. Seaman are given below.

GEOFF DIMEGO

National Centers for Environmental Prediction, Camp Springs, Maryland

NELSON L. SEAMAN

Office of Science and Technology, National Weather Service, Silver Spring, Maryland

The staff of *Weather and Forecasting* regrets any inconvenience this error may have caused.
