CORRIGENDUM

The last four references in the reference section of “Morphology of Tropical Upwelling in the Lower Stratosphere,” by Marvin A. Geller, Tiehan Zhou, and Kevin Hamilton, which was published in the July 2008 issue of the Journal of the Atmospheric Sciences, contained errors. The corrected references are shown below, as they should have appeared originally. The staff of the Journal of the Atmospheric Sciences regrets any inconvenience these errors may have caused.

——, ——, and ——, 2001b: Tropical cold point tropopause characteristics derived from ECMWF reanalysis and soundings. J. Climate, 14, 1823–1838.
